

# PUZZLEBOMB

## HILBERT'S SPACE-FILLING CROSSWORD

Solve the clues to find a 16-letter phrase running through the whole grid. The 4-letter answer in each row starts in a different column (to be determined) and loops around.

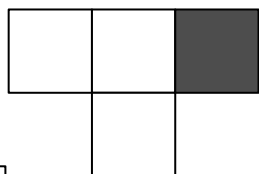

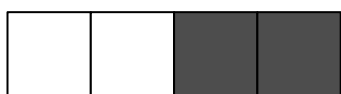

- Pre-final match
- Common car issue
- Shoe or coat storage
- Hopeful
- Geography staple

## SET PIECES

Split the words into 3 groups of 3, so that the concepts connecting each group also have a connection.

- adobe bendy
- dutch final
- insect man
- roman shift
- short

# TETRA-PACK

Assemble the pieces into a 6x6 grid with a 2x2 checkerboard pattern. Pieces can't be rotated or flipped.
